

# *The Ford Amateur Astronomy Club*

Invites you to attend

## *Beginner's Nights 2010 at LAKE ERIE METROPARK*

May 22<sup>nd</sup>, June 19<sup>th</sup>, July 17<sup>th</sup>, and October 16<sup>th</sup> from 7:00PM to Midnight  
Anyone seeking assistance in learning to set-up their scopes should arrive  
early so initial set-up occurs in daylight.

Note: The August 17<sup>th</sup> event has been moved to Humbug Marsh.

*A Metropark Motor Vehicle Permit is required to enter Lake Erie Metropark!*

*Do you have a telescope that you would like to learn to use? Do you want to see what the night sky has to offer? If so, please join us at Lake Erie Metropark. These nights are dedicated to providing equipment and observing assistance to new astronomers.*

*Note: The event(s) will take place despite cloudy weather. In the event of rain the event is cancelled.*

*Any one looking for help with a telescope is encouraged to send an email to [fordastronomy@comcast.net](mailto:fordastronomy@comcast.net) a day or two before an event. Please include a brief description of your equipment so we can have the most knowledgeable person available. You may also email us with any other questions regarding the event.*

*The event will be held at the Marshlands Museum & Nature Center. Restrooms are available inside the museum.*
